12.29.14

Litigation Partner David Woll was recognized by *Law360* as an “MVP” in Banking for 2014. David was honored for his recent work on residential mortgage-backed securities cases for Deutsche Bank, including winning a dismissal of a \$330 million mortgage repurchase suit in a closely-watched appeal to New York's Appellate Division, which ruled that plaintiff's claims were barred by the statute of limitations. The publication also highlights David's work for other financial institutions, including his ongoing representation of JPMorgan Chase Bank and affiliates in bankruptcy court proceedings in Minnesota involving entities previously affiliated with Thomas Petters, who was convicted of engaging in a fraudulent scheme involving certain of his companies.
