Rajib Chanda Quoted in *Ignites* Regarding the Importance of Cybersecurity Support

02.19.15

Corporate Partner Rajib Chanda was quoted in *Ignites*, a *Financial Times* news service, in an article discussing ACA Compliance Group's recent acquisition of Aponix Financial Technologies in an effort to boost its cybersecurity offerings. The transaction comes as concerns about cybersecurity continue to mount among asset management firms. Rajib noted that having comprehensive cybersecurity offerings is increasingly important for service providers that want to market themselves as full-service to asset manager clients.
