Rajib Chanda Quoted in *Ignites* Regarding New Cybersecurity Guidance for Fund Shops

04.30.15

Corporate Partner Rajib Chanda was quoted in *Ignites*, a *Financial Times* news service, in an article discussing new guidelines issued by the SEC on cybersecurity, which stress the need for funds and fund advisors to play a more active role in responding to and preventing threats. Rajib notes that implementing the written policies and procedures should be treated as not just an operational issue, but also as a compliance mandate.
