## Keith Noreika Quoted in *The Wall Street Journal* on Change in Bank Merger Regulation

03.17.17

Corporate Partner Keith Noreika was quoted in *The Wall Street Journal* on the decreased regulation of bank mergers by the Federal Reserve. The article, “Fed Signals Easier Review Process for Smaller Bank Mergers,” discussed the Federal Reserve’s approval of a merger of two mid-Atlantic banks without prior analysis of whether the resulting bank might pose a threat to the U.S. financial system, as well as the implications of the approval. The approval “represents some regulatory loosening of the scrutiny applied in the post-Dodd-Frank world,” commented Keith.
