## Thomas C. Rice Named to Euromoney's *Benchmark Litigation* 2018 "Top 100 Trial Lawyers"

10.19.17

Litigation Partner Tom Rice was selected by Euromoney's *Benchmark Litigation* as one of the "Top 100 Trial Lawyers in America." Referring to a widening divide between "litigators" and "trial lawyers," *Benchmark* identifies those on the list as the "elite trial strategists" selected based on client and peer review. *Benchmark* noted that Tom receives a "pronounced level of peer support" as "a very active and engaged trial lawyer," and reported the testimony of one source, who said that while Tom "is perhaps not as visible to the media, [that is] because he is a more modest guy who is very loyal to his partners and looks out for others besides him."
