## Mario Ponce to Speak at PLI's "Preparing For Shareholder Activism: What You Need To Be Doing Now 2017" Program

10.26.17

Corporate Partner Mario Ponce will speak at Practising Law Institute's "Preparing For Shareholder Activism: What You Need To Be Doing Now 2017" program on Thursday, November 2 in New York City. Mario will speak on a panel titled "The Current State of Hedge Fund Activism," which will discuss, among other things, hedge fund activism trends in 2017 and what to expect in the coming year, and how the market and regulatory environment has changed for activists and targets.

The program will also be available via live webcast. For more information on the program or to register, please [click here](#).
