Mary Touchstone Speaks at Fifth Annual European Fund Finance Symposium

07.11.19

Mary Touchstone, Partner and Head of the Firm's Fund Finance Practice, spoke at the Fifth Annual European Fund Finance Symposium in London on June 20. The symposium provides the most current information available on the fund finance market in Europe and provides background on legal, regulatory and other matters affecting the fund finance market and related capital markets. Mary spoke on a panel titled "GP and Management Company Facilities" and discussed various liquidity options for fund managers and investing professionals. Simpson Thacher was a sponsor of the symposium, which attracted more than 500 attendees.
