## Naveed Anwar Profiled in *Law360* as a “Rising Star” in Private Equity

09.20.19

Corporate Partner Naveed Anwar was profiled in *Law360* as a “Rising Star” in Private Equity for 2019. He was recognized for advising on last year’s complicated, multibillion-dollar tracking stock deal featuring Dell Technologies and Silver Lake Partners, among other major private equity transactions. In discussing what motivates him, he notes the desire to represent Simpson Thacher as a law firm featuring trusted counsel who are truly invested in the success of their clients. “We’re always responsive and available as attorneys to answer and advise on all aspects of transactions, and often it’s not just legal advice,” he said. “We’re there to talk generally about deals and to give pragmatic commercial advice.”
