## Risë Norman to Speak at New York City Bar Association Private Equity Program

02.26.20

Corporate Partner Risë Norman will again be a featured panelist at the New York City Bar Association's annual "Private Equity Structuring: The Basics" conference. The event covers the basics of private equity fund formation, structuring and deal making at both the fund level and with funds' portfolio companies, as well as regulatory requirements, compliance issues and market trends.

Risë will participate in a panel titled "M&A and Liquidity Events for Private Equity Firms and their Portfolio Companies." The conference, whose attendees include lawyers, private equity professionals, compliance professionals and investors, will take place in New York City on February 28.
