## Antonio Bavasso to Co-Chair “GCR Interactive: Telecoms, Media & Technology” Virtual Conference

02.23.21

Antitrust Partner Antonio Bavasso will co-chair the “GCR Interactive: Telecoms, Media & Technology” virtual conference on March 2nd and March 3rd. The two-day event will bring together regulators, in-house counsel, academics, think-tank representatives, economists and lawyers in private practice to debate and share insights into the latest developments in regulatory models, merger policy and foreign direct investment controls in the telecoms, media, technology and digital sectors.
