Keith Noreika Quoted in *Euromoney* on Quantitative Easing in the Banking System

06.01.21

Partner Keith Noreika was quoted in an article published by *Euromoney* analyzing the Fed's quantitative easing policy. When discussing the need to continuously review U.S. monetary and fiscal policies, Keith highlighted the consistent evolution of the banking system. "A lot of lending is going outside of the banking system – from private equity and other loan platforms to the fintechs. It would be interesting to see what the overall supply of credit to consumers and corporates is today when compared to the past," he said.
