Sandy Qusba Quoted in *Bloomberg* on Bankruptcy Landscape

06.29.21

Sandy Qusba, Head of Simpson Thacher's Restructuring and Bankruptcy Practice, was quoted in *Bloomberg*'s U.S. Bankruptcy Tracker column. The article discussed the current bankruptcy landscape and mentioned that, despite the recent pickup in smaller bankruptcies, overall activity is still muted compared to last year. Sandy noted that this may change in the future, especially for businesses banking on a strong recovery from the pandemic. Some businesses are relying on metrics "that may not always materialize" which could result in future restructurings, he said.
