## Krista Miniutti Named Among *Globe St.* “Women of Influence” in Real Estate

07.30.21

Real Estate Partner Krista Miniutti was named as one of *Globe St.*’s 2021 “Women of Influence,” which recognizes women across the commercial real estate industry who have personally impacted the market and driven the industry forward through their remarkable achievements. In discussing Krista’s work, the publication noted her role advising Blackstone in connection with the \$16.6 billion recapitalization of BioMed and her work for some of the world’s largest real estate fund managers and their portfolio companies in market-leading deals.
