Marc Berger to Speak at Sandpiper Partners' Program on DOJ and SEC Enforcement and Litigation Trends

11.16.21

Litigation Partner Marc Berger will speak at a virtual conference titled, “Hot Trends in SEC and DOJ Enforcement and Litigation 2022” on November 17th. The program, hosted by Sandpiper Partners, will address the full spectrum of regulatory enforcement changes, priorities and approaches currently underway and expected in the year ahead. Panelists will discuss increases in regulatory oversight, escalated enforcement, new initiatives in antitrust and competition and corporate criminal enforcement, ESG initiatives, trends in cybersecurity disclosure and enforcement, and SPACs, among other topics.
