Simpson Thacher Named “Best Law Firm” for Registered Funds at the 2023 *Fund Intelligence* Operations and Services Awards

02.21.23

Simpson Thacher was named “Best Law Firm” for its Registered Funds practice at the 2023 *Fund Intelligence* Operations and Services Awards. The awards, sponsored by *With Intelligence*, have been granted for over two decades, and recognize outstanding contributions made by business, operations and technology leaders at registered fund asset management and service provider firms over the past year. The Firm’s submission this year included testimonials from senior executives at Apollo, Franklin Templeton and KKR, in addition to information related to its work for Blackstone, which was recognized at last year’s awards for “The Fund Innovation of the Year” in connection with the launch of Blackstone Private Credit Fund, the first ever multi-class non-traded business development company. In 2021, Simpson Thacher was inducted into the organization’s “Hall of Fame” in recognition of the fact that all seven of Firm’s Registered Funds Partners and one Counsel have been named either “Independent Counsel of the Year” or a “Rising Star” at a previous ceremony.
