Vanessa Burrows Featured on Podcast Discussing HIPAA Risks in the M&A Due Diligence Process

06.22.23

Counsel Vanessa Burrows was featured on an episode of the American Health Law Association's podcast titled, "Assessing HIPAA Risks During the M&A Due Diligence Process." In the episode, Vanessa discusses why HIPAA must be considered within the scope of M&A due diligence and what the diligence process looks like. The episode further highlights the role of documentation, the use of external data sources and diligence with respect to de-identified information and web tracking technologies.
