## Mark Skerry Profiled in *Law360* as an International Trade “Rising Star”

07.21.23

Mark Skerry was profiled in *Law360* as a “Rising Star” in International Trade for 2023. Mark’s work advising Melrose Industries PLC on the foreign investment review aspects of its acquisition of aerospace and defense manufacturer GKN PLC was highlighted; as was his role advising on the regulatory aspects of the \$34 billion buyout of Medline Industries. In the profile, Mark said that he enjoys working in his practice area because it gives him the opportunity to discuss the latest regulatory developments and trends with other lawyers around the world. "It's refreshing and stimulating to learn about emerging areas of the law in different countries and how a particular business or asset class might be treated differently in different jurisdictions," he said.
