02.25.19

(Article from Insurance Law Alert, February 2019)

For more information, please visit the [Insurance Law Alert Resource Center](#).

Mary Beth Forshaw and Elisa Alcabes served as contributing editors of the recently-published 2019 edition of “Getting the Deal Through: Insurance Litigation.” Mary Beth and Elisa co-authored the publication’s chapter addressing United States insurance law. The publication provides expert advice and insight into contentious insurance issues in jurisdictions worldwide. To read the publication, please [click here](#).
