Lexology Getting The Deal Through: Insurance Litigation 2021

02.01.21

Mary Beth Forshaw, Bryce Friedman and Karen Cestari served as Contributing Editors of the recently published 2021 edition of *Lexology Getting the Deal Through: Insurance Litigation*. Mary Beth, Bryce and Karen also co-authored the publication's chapter addressing United States insurance law. The chapter, which was formatted as a Q&A, highlighted topics including preliminary and jurisdictional considerations in insurance litigation, the interpretation of insurance contracts and notice to insurance companies, as well as insurance litigation trends and the outlook for the next year.
