

David Azcue and Lily Rasel Co-Author Two Chapters in *Chambers'* Global Practice Guide: Alternative Funds 2021 (Japan)

10.20.21

Partner David Azcue and Associate Lily Rasel jointly authored the “Trends and Developments” chapter of *Chambers'* Global Practice Guide: Alternative Funds 2021 (Japan) and co-authored the “Law and Practice” chapter. In the “Trends and Development” chapter, David and Lily review high level developments in the alternatives industry in Japan over the past year, touching on the growth and diversification of the local industry, the emergence of venture capital and the recent embrace of SDG and ESG principles. The “Law and Practice” chapter provides a legal overview of the legal and regulatory framework for alternative investment funds in Japan.
