

## Simpson Thacher Attorneys Author SPAC Chapter in PLI's *Financial Product Fundamentals*

08.11.22

Corporate Partner Risë Norman and Associates Sean Dougherty, Arielle Katzman and Jenna Barton authored a chapter for Practising Law Institute's *Financial Product Fundamentals* treatise titled, "Special Purpose Acquisition Companies." The chapter provides an extensive overview of the history of SPACs and their formation, capital structure and warrant coverage. The chapter also highlights the similarities and differences when compared to the traditional IPO, the de-SPAC process and evolving trends, features and regulations surrounding SPACS.
