Simpson Thacher Attorneys Author Article on Enforcement of Contractor Cybersecurity Requirements Under the FCA

08.23.22

Alicia N. Washington, Bryce Friedman and Taylor Sutton authored an article titled “Justice Department Lays Foundation for More Vigorous Enforcement of Contractor Cybersecurity Requirements Under the False Claims Act,” which was published by *Pratt’s Privacy & Cybersecurity Law Report*. The article explores the DOJ’s focus on using the False Claims Act to target contractor noncompliance with cybersecurity obligations.
