

Simpson Thacher Attorneys Author Article on 2023 ESG Trends

03.07.23

Partners Leah Malone, Stephen Blake and Karen Hsu Kelley and Counsel Emily Holland, Matt Feehily and Carolyn Houston authored an article titled “ESG: Trends to Watch in 2023,” which was published by the *Harvard Law School Forum on Corporate Governance*. The article highlights five ESG trends to watch for the upcoming year as more companies and investment funds are adopting programs or policies that are keyed to various ESG measures. These trends include a keen global regulatory focus, a complicated political climate, a growing need for verifiable ESG data, the rise of ESG-related litigation risks and a turbulent upcoming proxy season, which is likely to bring many ESG-related issues in to focus.
