As a member of the Firm's Corporate Department, Jennie Getsin advises a wide range of the Firm's corporate clients on compliance with Blue Sky laws and FINRA regulations. Jennie advises several major investment banking firms in connection with state securities law and FINRA compliance for public and private offerings. In addition, she advises a variety of private equity firms and hedge funds in connection with state regulatory matters, including Blackstone, Carlyle and KKR. Jennie is also a frequent author of FINRA thought leadership pieces.
