A member of the Firm's Public Company Advisory Practice, Joshua Teitler advises public companies on regulatory compliance and corporate governance considerations related to their status as public companies. He regularly advises U.S. and non-U.S. public companies on all aspects of their compliance with the U.S. securities laws and the listing requirements of the major exchanges in the United States. He also advises on SEC and stock exchange reporting and disclosure requirements, disclosure of board and executive compensation, corporate governance, conflicts of interest, shareholder proposals, director independence, and other general corporate law matters.

PRACTICE FOCUS

Capital Markets Public Company Advisory Practice
Shareholder Activism Corporate Corporate Governance
Environmental, Social and Governance (ESG) and Sustainability
