Counsel Julie Ledermann counsels both corporate clients and underwriters in connection with complex, often cross-border, capital markets offerings. Based in the New York office, Julie advises on a wide array of offerings ranging from U.S. and international initial public offerings, investment grade and high-yield debt offerings, acquisition financing, and many other transactions. Prior to joining the Firm, Julie served as an executive director and assistant general counsel at J.P. Morgan for the capital markets and mergers and acquisitions advisory practices.
