A Partner in the Firm's Tax Practice, Benjamin Rippeon provides a wide range of clients with sophisticated, solutions-oriented advice related to domestic and international tax issues. He focuses on tax planning for investment funds and strategic corporate and real estate acquisitions, dispositions and reorganizations. His diverse group of clients include corporations, investment funds, joint ventures, partnerships, limited liability companies and special purpose acquisition companies (SPACs). Benjamin has also advised on the formation of numerous private REITs in connection with real estate acquisitions and dispositions involving U.S. and non-U.S. investors, including sovereign wealth funds.

PRACTICE FOCUS
