A Partner in the Firm's Mergers and Acquisitions Practice, Ben Schaye frequently advises public and private clients on multibillion dollar transactions. He also counsels corporate and private equity clients on spin-off transactions, such as Blackstone's spin-off of its financial advisory business and PPL Corporation's spin-off of Talen Energy and concurrent merger of Talen with entities affiliated with Riverstone Holdings. In addition, Ben represents clients in proxy contests, hostile takeover defenses, strategic alliances and joint ventures and counsels clients on issues involving corporate governance, fiduciary duties and shareholder activism.
