Described as a “phenomenal and practical deals lawyer” with a “wide mastery of trends in the industry” by *Chambers*, David Rubinsky advises both executives and employers on all aspects of executive compensation and other employee benefit matters in connection with mergers and acquisitions, as well as with individual and group employment and severance negotiations. He has extensive experience representing both private equity investors and management in their portfolio companies in structuring equity compensation and employment arrangements. David also advises public companies and their executives on employment, severance and change-in-control arrangements as well as on ongoing disclosure requirements for stock
