Concentrating on securities law and corporate governance, Edgar Lewandowski is a Partner in our Corporate Department. He has wide-ranging experience advising a variety of issuers, private equity sponsors and investment banks. The transactions he has handled include IPOs, spin-offs, and high yield and investment-grade debt offerings. Edgar also advises boards of directors on general corporate and compliance matters. He represents clients in numerous industries, including real estate, hospitality, manufacturing, digital outsourcing, construction materials and human capital and technology services.
