Josh Buckland is an antitrust and foreign investment lawyer with more than ten years' experience in obtaining clearances on complex global transactions. He is also known for calmly steering clients through large-scale antitrust investigations and counselling on a broad range of competition issues.

Josh leads on cross-border matters in Europe and around the world – with particular expertise in navigating the UK's regulatory landscape. He regularly engages with the CMA on merger reviews (Phase 1 and 2), cartels and other investigations, and has a stellar track-record with FDI filings under the UK's National Security and Investment Act.

PRACTICE FOCUS

Antitrust and Trade Regulation – M&A

Antitrust and Trade Regulation

International Regulatory and Compliance

Government and Internal Investigations

National Security Regulatory Practice

INDUSTRIES

Financial Services Defense Healthcare

Industrials and Manufacturing Media and Entertainment

Retail Technology Telecommunications

Josh has deep knowledge across a range of client sectors, including TMT, financial services, defense, healthcare, industrials and retail. He also possesses an insider's perspective on the UK's TMT regulatory environment, having completed a nine-month secondment to Ofcom's Competition Group in May 2020.
