A former Federal Trade Commission (FTC) lawyer, Karen Kazmerzak advises clients on a wide range of antitrust and competition issues, particularly in seeking clearance for high-profile, complex mergers and acquisitions before the Department of Justice and FTC, and in developing strategies to advocate for merger approval in international jurisdictions. Recognized as a leader in the field by *Chambers USA* and a “Litigation Star” by Euromoney’s *Benchmark Litigation*, she is lauded by clients for providing “practical-minded guidance.” Karen is also recognized for her work representing third-party market participants in connection with opposition to acquisitions and in connection with government
