Manny Halberstam advises private fund sponsors and other asset management firms on investment management regulatory matters, including Investment Advisers Act registration and compliance, investment company “status” issues and compliance with Securities Act private placement rules. His clients include private equity firms, venture capital firms, hedge funds and fund managers that invest in real estate, infrastructure, private credit, secondaries and digital assets. As an Investment Advisers Act specialist, Manny has significant experience analyzing the applicability of U.S. investment adviser registration requirements to U.S. and non-U.S. businesses, guiding clients through the SEC registration process and
