A Partner in Simpson Thacher's Registered Funds Practice, Nathan Briggs advises registered investment vehicles, investment advisers and independent directors across the full spectrum of formation, transactional, governance and compliance issues. These range from new product offerings and follow-on offerings, proxy contests and fund mergers and consolidations to ongoing compliance and governance matters. He advises sponsors with respect to, among other products, listed closed-end funds, interval funds, tender offer funds, REITs and business development companies in connection with the establishment, registration, reorganization and operation of retail and institutional investment products.
