Nicole serves as Counsel in the Firm's Personal Planning Practice. With a focused expertise residing in complex trust and estate administration, Nicole guides fiduciaries through the challenges that arise in the management of multigenerational trusts and estates of affluent families. Nicole assists fiduciaries in the navigation of sensitive family, financial and tax issues frequently occurring in the administration of estates and trusts. Her guidance enables fiduciaries to achieve resolution through negotiated settlements, mediation and, when necessary, litigation. Under Nicole's guidance, fiduciaries are able to effectively implement best practices and mitigate their exposure to liability. Nicole has substantial experience analyzing

PRACTICE FOCUS

Personal Planning

complicated and often convoluted estate tax returns and fiduciary accountings, representing both fiduciaries and beneficiaries in such matters.
