Based in the heart of Silicon Valley and the Head of our Palo Alto office, Bill Brentani is a leading capital markets lawyer whose practice focuses on corporate finance and general securities and corporate matters. Bill regularly works for issuers and underwriters in connection with a broad range of capital market transactions, including initial public offerings (IPOs), follow-on equity and preferred stock (including PIPEs) offerings, and debt, equity-linked and high yield transactions. Bill was named a 2021 Healthcare “MVP” by *Law360* and has been recognized as a leading lawyer for a number of years by *Chambers USA*, which describes him as “highly sought after for his expert counsel on transactions in diverse sectors, including
