Based in China, Partner Daniel Fertig focuses his practice on a mix of equity and debt securities offerings, as well as M&A transactions. His work on securities offerings includes U.S. registered offerings and Rule 144A and Regulation S offerings. The issuers he represents are based both in mainland China and in Taiwan. He also advises public companies on corporate governance and regulatory matters. Daniel is fluent in Mandarin. Before joining the bar, he studied Mandarin in Beijing and Taiwan, and worked as a translator overseas. He holds an M.A. in East Asian Studies from Columbia.
