Elisha Graff is a Co-Head of the Firm's Special Situations group and a Partner in the Firm's Restructuring Department at Simpson Thacher & Bartlett LLP. He regularly represents clients in connection with out-of-court restructurings and Chapter 11 cases. His work has focused primarily on advising companies in connection with their in-court or out-of-court restructurings, equity sponsors in connection with the restructuring of their portfolio companies, and financial institutions with their loans to distressed companies. In addition, Elisha is often called on by Simpson Thacher's investment banking and private equity clients for advice on how to restructure the debt profiles of their portfolio
