Martha Kammoun is a Partner in Simpson Thacher's Energy and Infrastructure Practice, where she advises sponsors and lenders on a wide range of transactions both in the United States and abroad. Former co-general counsel of a North American energy and infrastructure fund, Martha advises on mergers and acquisitions, joint ventures, asset sales, project finance and development, construction and tax equity financings for conventional energy, transmission, and renewable energy, including onshore and offshore wind, solar and storage. She counsels clients on a wide range of energy transition and impact investments, including those involving carbon capture and sequestration and renewable natural gas.

PRACTICE FOCUS

Corporate Mergers and Acquisitions Project Finance

INDUSTRIES

Energy – Oil and Gas Energy – Power and Renewables
Infrastructure
