Sunny Singh leads the Firm's U.S. company-side restructuring team and has deep experience leading all aspects of highly complex domestic and international restructuring matters. Sunny advises debtors, boards of directors, sponsors, investors and other interested parties on some of the world's most significant chapter 11 cases, pre-packaged bankruptcies and out-of-court restructurings.

Lauded by clients in *Chambers USA* for his ability to tackle "the most complicated situations with calm and steady advice," Sunny routinely advises on matters spanning a wide range of industries, such as energy, technology, retail, infrastructure, telecommunications, real estate and financial services. Sunny has been

PRACTICE FOCUS
